Columbia, South Carolina 29210

RE: Dominion Energy South Carolina, Inc.
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. *See* S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that DESC plans to install/relocate approximately 7,000 feet of 4-inch and 6-inch steel distribution pipeline to accommodate the South Carolina Department of Transportation's Revitalization Project of North Main Street in Sumter, South Carolina.

DESC anticipates that construction will begin late March 2021 and that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the ORS of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Matthew W. Gissendanner
